

# European Union Declaration of Incorporation

By The Manufacturer:

**Anaheim Automation, Inc**

To The Following Council Directives of the European Union

**Machinery Directive 98/37/EC**

**Equipment Type: Components of a Machine**

**Model Designations: DPXCEBOX 5 Axis Motor Control Driver Pack**

This Certificate is the Manufacturer's Declaration which states that the Model: **DPXCEBOX 5 Axis Motor Control Driver Pack** Compliant to the above noted EU Directives and are therefore, eligible to bear the CE MARK. This Declaration is further validated by an Investigation and Testing conducted by **Aegis Labs Inc.**, an Independent and Competent 3<sup>rd</sup> Party Test Lab with facilities in Lake Forest, California, USA. The Evaluations and Test Data are documented in the Technical Construction File, 080110-01 that is available on request. A Declaration of Incorporation is intended for components of machinery, not capable of operation independently.

**EMC Testing was performed to the following Standards**

**EN61000-6-1: 2001 Class A**

**EN61000-6-3: 2001 Class A**

**Safety Standards**

**EN 60204 Safety of Machinery, Electrical Equipment of Machines**

**Manufacturer:** Anaheim Automation  
4985 E. Landon Drive  
Anaheim, CA 92807 USA

**Models:** DPXCEBOX: 5 Axis Motor Control Driver Pack  
Step Motor Drivers: MLU05641, MBC12101-02, BLD75, MBC25081TB  
Brushless Driver: MDC151-050301  
Step Motor Controllers: PCL601, PCL501PC  
Power Supplies: PSA40V4A-1, PSA80V4A-1, PSAM24V2.7A, AA2977-1  
Stepper Motors: 23Y10S-CN4, BLWS233S-36V-4000, 34Y2075-LW8, 34Y314S-LW8, BLY171S17V
