**Important Notes:** Anaheim Automation keeps RMA numbers active for 30 days after the RMA request date. After 30 days, the RMA will be deleted from our records. Any product not returned to Anaheim Automation within 30 days, will require a new RMA#. *Product returned without an RMA# will NOT be processed.* Typical repairs will take 10 business days. Motors and gearboxes may take up to 45 days. Anaheim Automation charges a "flat-rate" repair fee for products not covered under warranty, regardless of the problem found. CREDIT for returns will be solely determined by Anaheim Automation, following inspection and test. The restocking charge is 15% on all products returned. The minimum restocking charge is \$25.00. Shipping expenses are paid by the customer. **Anaheim Automation is not responsible for damages during transit.**
