**DECLARATION OF COMPLIANCE: REGULATION (EU) 2019/1021 (EU POPs)¹
Amended by Commission Delegated Regulation (EU) 2022/2291**

We hereby send you information related to substances identified in Annex I and/or Annex II of Regulation (EU) 2019/1021 on Persistent Organic Pollutants (EU POPs) and , including all amendments in force as of the signature date shown below. This communication applies to all Products sold or otherwise placed on the market by Anaheim Automation prior to that date.

If no such Products contain any of the above-referenced substances (at concentrations above their permitted thresholds, where applicable) this box must be checked:

Checking this box certifies that none of the Products referenced above contain any of the listed substances (at concentrations above their permitted thresholds, where applicable) as per Annex I or Annex II of the EU POPs as of the signature date shown below.

Anaheim Automation is largely dependent upon our diverse supply chain for relevant chemical composition, but the above information is to the best of our knowledge accurate. Anaheim Automation will continue to monitor our supply chain for continual compliance with the EU POPs directive and will inform you of any changes. If necessary, Anaheim Automation will also continue to work with our suppliers to ensure that the European Chemicals Agency is notified of all substances to comply with the EU POPs requirement.

This statement is provided for informational purposes only and is not intended to create legal obligations between Anaheim Automation and external parties. Anaheim Automation believes the information above to be true and accurate as of the date of this statement. Anaheim Automation also believes related statements in published Anaheim Automation compliance-related documentation, including but not limited to any material composition data, MSDS, laboratory and testing reports, to be valid and accurate as of the date of this statement, but makes no representation to the completeness or accuracy of information provided herein to the extent such information is provided by Anaheim Automation third party suppliers.

A handwritten signature in black ink that reads "John Piburn".

John Piburn
Engineering Supervisor

¹ [Regulation \(EU\) 2019/1021 of the European Parliament and of the Council of 20 June 2019](#), on persistent organic pollutants. **Always consult the most current consolidated version of any regulation for the latest information.**
