

TBI-TRS35 - Linear Guides

FEATURES

- **Size: 35mm Linear Guide Rail**
- **Dynamic Load: Up to 49.92 kN**
- **Static Load: Up to 81.85 kN**
- **Rail Lengths Up to 4 Meters**
- **Custom Rail Sizes Available**
- **Matched Bearing Blocks**
- **End-Seal Options: Standard or Reinforced**
- **Pre-Load: Clearance, Standard, or Light**

DESCRIPTION

TBI's high-quality linear guides deliver precision, durability, and affordability in one single package! Available in a 35mm size, this sleek, high-quality design incorporates the rail and the block together to provide a convenient, easy-to-use product. Little friction resistance allows for high accuracy and speed, while several preload options are available for increased rigidity and performance. They are offered in standard or custom lengths, and are ideal for dynamic loads up to 49.92 kN and static loads up to 81.85 kN. All standard blocks come with a bottom seal and double lip end seals.

Block Part Number	Fabrication Dimensions (mm)			Block Dimensions (mm)								Load Capacities (kN)		Static Moment (Nm)			Weight (lbs)
	H	W ₂	E	W	B	J	L	L ₁	QxL	T	N	C	C ₀	M _x	M _y	M _z
